

## Navigating the On Demand Library

You have the opportunity to replay the sessions from the 2021 MDRT Annual Meeting Virtual Event for 30 days, from June 9 to July 9, 2021.

Access the On Demand Library from the Virtual Event platform by going to the **Program** drop down on the top navigation bar and selecting On Demand Library.

Once in the On Demand Library, you have multiple options to search for content:

- Using **Filter Tags**, you can search for sessions that have been tagged by content type.
- You may opt to search in **Chronological** or **Alphabetical** order.
- The **Live Keyword Search** allows you to search by session title and speaker name.
- **Clear Filter** allows you to clear the list of filtered tags.
- You may choose to view the On Demand Library in a **List View** or a **Grid View**.

**Please note that the virtual fireside chat session featuring MDRT President Ian Green, Dip PFS, and Simon Sinek will only be viewable in the On Demand Library until June 16 — don't miss it!**

**Be sure to visit the Sponsor and MDRT Booths as well for exclusive event content and information. You can continue to access the Sponsor and MDRT Booths from the top navigation bar.**
