

# LOCALLY GROWN.

## U.S. GROWTH TEAM CREATES OPPORTUNITIES TO CONNECT CLOSE TO HOME.

COMING TOGETHER WITH OTHER PROFESSIONALS IS A BIG PART OF MDRT, AND WE'RE CREATING NEW WAYS FOR YOU TO EXPAND YOUR LOCAL MDRT NETWORK.

Build relationships with MDRT members in your area, and share the value of our association with potential joiners. Enjoy happy hours at local restaurants, idea exchanges at members' offices, or even outings to sports events. These casual get-togethers will help you grow personally and professionally — while also strengthening MDRT.

### GET INVOLVED WITH A TEAM IN YOUR AREA.

What if there isn't a team? Start one!

- › Organize and promote local meetups
- › Spread awareness of MDRT programs
- › Encourage attendance at MDRT events

Commit two to four hours per month, receive support from MDRT along the way and be recognized for joining this grassroots effort!
