**LONG TERM CARE INSURANCE  
OUTLINE OF COVERAGE  
FOR THE EMPLOYEES OF  
MILLION DOLLAR ROUND TABLE  
(the Policyholder)**

Group Master Policy/Certificate Form Number **218265-002**

**Caution:** If you must complete an Application for Long Term Care Insurance which includes evidence of insurability, the issuance of a long term care insurance certificate will be based on your response to the questions in your application. A copy of your Application for Long Term Care Insurance was retained by you when you applied. If your answers are incorrect or untrue, Unum may have the right to deny benefits or rescind your coverage. The best time to clear up any questions is now, before a claim arises! If, for any reason, any of your answers are incorrect, contact Unum at this address: Unum Life Insurance Company of America, 2211 Congress Street, Portland, Maine 04122.

**NOTICE TO BUYER:** This plan may not cover all of the costs associated with long term care which you may incur during the period of coverage. You are advised to review carefully all coverage limitations.

1. The policy is a group policy of insurance which was issued in **Illinois**.

2. **PURPOSE OF OUTLINE OF COVERAGE**

This outline of coverage provides a brief description of the important features of the plan. You should compare this outline of coverage to outlines of coverage for other plans available to you.

This is not an insurance contract, but only a summary of coverage. Only the Policy contains governing contractual provisions. This means that the Policy sets forth in detail the rights and obligations of both you and Unum. Therefore, if you purchase this coverage, or any other coverage, it is important that you **READ YOUR CERTIFICATE CAREFULLY!**

3. **The Policy is intended to be a qualified Long Term Care insurance contract under Section 7702B(b) of the Internal Revenue Code of 1986.**

4. **TERMS UNDER WHICH THE GROUP COVERAGE THROUGH THE PLAN MAY BE CONTINUED IN FORCE OR DISCONTINUED**

• **RENEWABILITY**

**THE POLICY IS GUARANTEED RENEWABLE.** This means you have the right, subject to the terms of the policy, to continue this coverage as long as you pay your premiums on time. Unum cannot change any of the terms of the policy on its own except that, in the future, IT MAY INCREASE THE PREMIUM YOU PAY.

• **WHEN COVERAGE WILL END**

Your coverage will end on the earliest of these dates;

- the date the Policy ends,
- the date you are no longer an Active Employee with the Policyholder,
- the date you no longer work for the Policyholder,
- the end of the period for which premiums were last paid to Unum for your coverage,
- the date your total benefit payments equal your Lifetime Maximum Amount, or
- the date you die.

If you are absent from work at the Policyholder for any reason, you will continue to be covered for group coverage if the Policyholder continues to pay premiums to Unum.

- **CONTINUATION OF COVERAGE**

If your group long term care coverage ends, for reasons other than your choice to have premium payments stopped for your coverage, you may elect continuation of coverage. This means that the same coverage you had under this plan can continue on a direct billed basis. If you are already direct billed, your coverage will automatically transfer to continued coverage.

Election for continued coverage must be made within 31 days of the date the group coverage would otherwise end. Any premium that applies must be paid directly to Unum by you for any coverage to be continued.

- **PREMIUM WAIVER**

When benefits become payable, there will be no more cost for your coverage as long as you continue to be eligible for a monthly benefit.

If your plan includes Professional Home Care Services and you do not receive these services for a period of 30 consecutive days, premium payments will again become due.

Premiums are not waived while you are receiving a payment for Respite Care.

- **RIGHT TO CHANGE PREMIUMS**

The rate will not increase because you grow older or because of your use of the benefits. However, the rate schedule may change in the future depending on the overall use of the benefits of all covered persons or changes in the benefit levels, plan design or other risk factors. Any such change will be made on a class basis according to Unum's underwriting risk studies under this type of insurance.

**5. TERMS UNDER WHICH THE CERTIFICATE MAY BE RETURNED AND PREMIUM REFUNDED**

- You have a 30-day right to examine the certificate. If, after examining the certificate, you are not satisfied for any reason, you may withdraw your enrollment in the plan by returning your certificate within 30 days of its delivery to you. The certificate, together with a written request for withdrawal must be sent to the Plan Administrator or Unum. Upon receipt, your insurance will be deemed void from its effective date and any premium contribution(s) paid will be returned.
- Premiums for additional, increased or terminated insurance may cause a pro-rata adjustment on the next premium due date.

**6. THIS IS NOT MEDICARE SUPPLEMENT COVERAGE**

If you are eligible for Medicare, review the Guide to Health Insurance for People with Medicare available from Unum. You may obtain a copy of the Guide by calling 1-800-227-4165. Unum Life Insurance Company of America is not representing Medicare, the federal government or any state government.

**7. LONG TERM CARE COVERAGE**

Plans of this category are designed to provide coverage for one or more necessary or medically necessary diagnostic, preventative, therapeutic, rehabilitative, maintenance or personal care services, provided in a setting other than an acute care unit of a hospital, such as in a nursing home, in the community, or in the home.

This plan provides coverage in the form of a fixed dollar indemnity monthly benefit if you become Disabled and you are receiving care while confined in a Long Term Care Facility or Assisted Living Facility. If you purchase Total Home Care or Professional Home Care Services coverage, we will pay you a benefit if you elect to receive care other than in a Long Term Care Facility or Assisted Living Facility.

Coverage is subject to policy limitations, benefit maximums and elimination periods.

**8. BENEFITS PROVIDED BY THE POLICY**

**REFER TO THE ATTACHED SUMMARY OF BENEFITS FOR THE BENEFITS AVAILABLE UNDER THE POLICYHOLDER'S PLAN.**

You are eligible for a monthly benefit after:

- you become Disabled;
- you are receiving services in a Long Term Care Facility or Assisted Living Facility; or Professional Home Care Services if your plan includes a Professional Home Care Services benefit; or Total Home Care if your plan includes a Total Home Care benefit;
- you have satisfied your Elimination Period; and
- a Licensed Health Care Practitioner has certified that you are unable to perform, without Substantial Assistance from another individual, two or more ADLs for a period of at least 90 days, or that you require Substantial Supervision by another individual to protect you and others from threats to health or safety due to Severe Cognitive Impairment. You will be required to submit a Licensed Health Care Practitioner certification every 12 months.

A monthly benefit will become payable once all of these requirements are met.

The treatment and services you receive for your Disability must be provided pursuant to a written plan of care developed by a Licensed Health Care Practitioner.

If you have a **loss** of ADLs or Severe Cognitive **Impairment** before your effective date of coverage, that **loss** or **impairment** will never be covered.

After you satisfy the Elimination Period, we will pay you:

- the Long Term Care Facility Benefit Amount if you receive care while confined in a Long Term Care Facility. Your confinement must be because you are receiving care and need either: (1) Substantial Assistance from another person to perform 2 or more Activities of Daily Living (ADLs); or (2) Substantial Supervision because you suffer from Severe Cognitive Impairment, or
- the Assisted Living Facility Benefit Amount if you are Disabled and are receiving services in an Assisted Living Facility.

The Assisted Living Facility Benefit Amount will be the greater of:

- (1) 60% of the Long Term Care Facility Benefit Amount; or
- (2) the Total Home Care or Professional Home Care Services Benefit Amount shown on the SUMMARY OF BENEFITS if Home Care is purchased.

#### **Nonforfeiture Benefit (Shortened Benefit Period)**

If your coverage lapses due to nonpayment of premium after your coverage has been in force for three years, you will be eligible for a Non Forfeiture Benefit. This means your coverage will continue in force with the same level of benefits, except for a reduction in your Lifetime Maximum Amount.

**“Professional Home Care Services” Benefit:** We will pay you 1/30th of the Monthly Professional Home Care Services Benefit Amount for each day you receive Professional Home Care Services if:

- a. you are Disabled; and
- b. you choose to receive care anywhere other than in a Long Term Care Facility, or Assisted Living Facility.

This care can be provided at any type of facility, such as an Adult Day Care Facility, or your home by/through a licensed Home Health Care Provider.

#### **OPTIONAL BENEFITS AVAILABLE**

**“Total Home Care Benefit”:** We will pay you the Monthly Total Home Care Benefit Amount if you are Disabled and receiving care and you choose to receive care anywhere other than in a Long Term Care Facility or Assisted Living Facility.

This care can be provided at any type of facility, such as an Adult Day Care Facility or your home. Care can be provided to you by:

- a. a formal caregiver, such as a licensed Home Health Care Provider, a registered nurse, a licensed practical nurse, or
- b. an informal caregiver, such as a friend or relative.

**Inflation Protection Options:**

**Inflation Protection Provision - 5% Compound Inflation With No Cap**

Your Monthly Benefit Amount will increase each year on January 1st by 5% of the Monthly Benefit in effect on that January 1st. Your remaining Lifetime Maximum Benefit Amount will also increase. Increases will be automatic and will occur regardless of your health and whether or not you are Disabled. Your premium will not increase due to automatic increases in your Monthly Benefit Amount.

The benefit paid is subject to the Lifetime Maximum Benefit Amount. Benefits are not paid during the Elimination Period.

**Refer to the graphic Comparison Chart of all types of Inflation, located in Section 10 of this Outline of Coverage**

**IMPORTANT TERMS YOU SHOULD KNOW:**

**"Activities of Daily Living" (ADLs) are:**

- BATHING - washing oneself by sponge bath; or in either a tub or shower, including the task of getting into or out of the tub or shower with or without equipment or adaptive devices.

- TOILETING - getting to and from the toilet, getting on and off the toilet, and performing associated personal hygiene.
- TRANSFERRING - moving into and out of a bed, chair or wheelchair with or without equipment such as canes, quad canes, walkers, crutches or grab bars or other support devices including mechanical or motorized devices.
- CONTINENCE - the ability to maintain control of bowel or bladder function; or when unable to maintain control of bowel or bladder function, the ability to perform associated personal hygiene (including caring for catheter or colostomy bag).
- EATING - feeding oneself by getting food into the body from a receptacle (such as a plate, cup or table) or by a feeding tube or intravenously.

**"Adult Day Care"** means a community-based program offering health, social and related support services to impaired adults. Adult Day Care can be provided by:

- a Home Health Care Provider; or
- an Adult Day Care Facility.

**"Adult Day Care Facility"** means a facility that operates under applicable state licensing laws and any other laws that apply, or meets the following tests:

- operates a minimum of 5 days a week;
- remains open for at least 6 hours a day;
- is not an overnight facility;
- maintains a written record of care on each patient;
- includes a plan of care and record of services provided;
- has a staff that includes a full-time director and at least one registered nurse who are there during operating hours for at least 4 hours a day;
- has established procedures for obtaining appropriate aid in the event of a medical emergency; and
- provides a range of physical and social support services to adults.

**"Disability" and "Disabled"** mean:

- you are unable to perform, without Substantial Assistance from another individual, at least two Activities of Daily Living; or
- you require Substantial Supervision by another individual to protect you from threats to health and safety due to Severe Cognitive Impairment.

**“Elimination Period”** is the number of consecutive days, specific to your plan, that you must wait before receiving benefits. The plan’s Elimination Period begins once you lose 2 or more Activities of Daily Living or suffer Cognitive Impairment and are receiving care at the level of care in your plan.

For example, if your plan has an Elimination Period of 90 days and Facility care, you must suffer the loss and be receiving care in a Facility for those 90 consecutive days before you will be eligible for benefits.

The Elimination Period needs to be satisfied only once in your lifetime.

**“Lifetime Maximum Benefit Amount”** is the total dollar amount of benefits that will be paid under the policy. Your Lifetime Maximum Amount is based on the level of coverage and benefit duration you select.

**“Respite Care”** means formal care provided to you for a short period of time to allow your informal caregiver a break from their caregiving responsibilities. If you are eligible for a home care monthly benefit but benefits have not yet become payable, payments will be made to you for each day you receive Respite Care for up to 15 days each calendar year. The amount of your payment will equal 1/30th of your home care monthly benefit for each day that you receive Respite Care.

**“Severe Cognitive Impairment”** means a severe deterioration or loss in intellectual capacity, as reliably measured by clinical evidence and standardized tests in:

- short or long term memory;
- orientation to people, places or time; and
- deductive or abstract reasoning.

**“Substantial Assistance”** means stand-by assistance by another person without which you would not be able to safely and completely perform the ADL.

**“Substantial Supervision”** means the presence of another individual for the purpose of protecting you from harming yourself or others.

## 9. LIMITATIONS AND EXCLUSIONS

Unum will not make long term care payments to you for:

- a Disability caused by war (whether declared or not) or any act of war,
- a Disability caused by attempted suicide (while sane or insane) or self-destruction,
- a Disability caused by a commission of a crime for which you have been convicted under state or federal law or attempting to commit a crime under state or federal law,
- Disabilities or confinements during which you are outside the United States, its territories or possessions for longer than 30 days,
- a Disability caused by alcoholism or alcohol abuse,
- a Disability caused by voluntary use of any controlled substance unless the controlled substance is prescribed for you by a Physician. (“Controlled substance” is defined in Title II of the Comprehensive Drug Abuse Prevention and Control Act of 1970 and all amendments),
- a period in which you are confined in a hospital other than if you are confined in a nursing facility that is a distinctly separate part of a hospital (this exclusion does not apply to those periods covered under the Bed Reservation Benefit), or

- a Disability caused by psychological or psychiatric or mental conditions, regardless of cause, which include:
  - depression,
  - generalized anxiety disorders,
  - personality disorders,
  - schizophrenia,
  - manic depressive disorders, or
  - adjustment disorders and other conditions that are usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs or similar methods of treatment.

However, Unum will make payments to you for conditions that are not psychological, psychiatric or mental in nature, including Alzheimer’s disease or similar forms of irreversible dementia.

**Pre-existing Conditions Exclusion**

**If you do not have to complete an Application for Long Term Care Insurance, which includes evidence of insurability, a pre-existing conditions exclusion may apply to you.**

“**Pre-Existing Condition**” means any condition that exists for which you received medical treatment, consultation, care or services, including diagnostic measures for the condition, or took drugs or medicines that were prescribed for the condition, during the six month period right before your coverage began.

Unum will not make any payments to you for a Disability that is caused by, contributed to by, or results from a Pre-Existing Condition, and begins during the first six months after your coverage begins.

A Pre-Existing Condition is not the same as a loss of ADLs or Severe Cognitive Impairment that existed before your effective date of coverage.

If you have a **loss** of ADLs or Severe Cognitive **Impairment** before your effective date of coverage, that **loss** will never be covered.

If you have a **condition** that exists prior to your effective date of coverage and has not resulted in a loss of ADL or Severe Cognitive Impairment, that condition may be a Pre-Existing Condition. If it is a Pre-Existing Condition and you have a **loss** of 2 or more ADLs or Severe Cognitive Impairment caused by, contributed to by or resulting from that Pre-Existing Condition during the first 6 months **after your effective date of coverage**, these losses or impairment will not be covered.

**THIS PLAN MAY NOT COVER ALL THE EXPENSES ASSOCIATED WITH YOUR LONG TERM CARE NEEDS.**

**10. RELATIONSHIP OF COST OF CARE AND BENEFITS**

Because the costs of long term care services will likely increase over time, you should consider whether and how the benefits of this plan may be adjusted.

- **COST**  
The premium rate paid for your coverage over the duration of your initial coverage or for any increases is based on your insurance age.
- **ELECTION TO INCREASE COVERAGE**  
You can apply at any time to increase coverage by filling out a new Benefit Election Form and a Long Term Care/Evidence of Insurability Application.
