

# THE NEXT LEVEL LEADERSHIP CHALLENGE

Carve out time each month to develop your leadership skills.  
Challenge yourself to complete the items below within the **next 30 days**.

## Harvard ManageMentor® Leadership Tip:

In today's organizations, change may be the only constant. By learning to navigate change, you can turn uncertainty into opportunity—and that benefits you, your team and your organization.

It's time to start a new certification course with Harvard ManageMentor®. In **August**, we'll begin working on the Change Management module.

**Get started** earning your certification!

## Lesson 1: Your role in change (5 minutes)

- **Watch:** Bust the Myth on Change (1:52 minutes)
- **Reflect:** Think about a satisfying change effort you've been a part of. What made it successful?

Lesson complete

## Lesson 2: Navigate continual change (17 minutes)

- **Assess:** How do you respond to change? See where your answer falls compared to other Global Services members.
- **Watch:** Make the Most of Constant Change (2:38 minutes)
- **Reflect:** What's one thing you'll do today to prepare your brain for change?
- **Download:** Changing Your Habits toolkit
